## Coordinated Population Forecast

### Coordinated Population Forecast Project

On Wednesday September 8<sup>th</sup> the Deschutes County Commissioners adopted a coordinated population forecast for Deschutes County. The County coordinated with the cities of Bend, Redmond and Sisters to develop the population forecast through the year 2025. The forecast predicts a countywide population of 240,118 by 2025.

**Deschutes County 2000-2025 Coordinated Population Forecast**

Year	Bend UGB	Redmond UGB	Sisters UGB	Unincorp. County	Total County
2000	52,800	15,505	975	47,320	116,600
2005	69,004	19,249	1,768	53,032	143,053
2010	81,242	23,897	2,306	59,127	166,572
2015	91,158	29,667	2,694	65,924	189,443
2020	100,646	36,831	3,166	73,502	214,145
2025	109,389	45,724	3,747	81,951	240,811

The population forecast is a tool for the cities and the county, state agencies and utilities to use in planning infrastructure. Bend, Redmond and Sisters will use the forecast to determine how much land will be needed for residential, commercial and industrial uses.

You will also find demographic and population information for Deschutes County through the listed population links, including State of Oregon and Federal population resources.
